On Pranic Living Jasmuheen writes: “Pranic Living is not a diet - it is an ascension into more refined evolutionary paths on both individual then global levels! As vast multi-dimensional beings, we have limitless access to a source of internal nourishment (prana-chi) that constantly bubbles champagne-like throughout the matrix of life. This pranic stream acts as a type of glue to bind our creations and help with our manifestations to bring more Grace into our lives. Meditation allows us to go deep within the inner silence to discover and experience this pranic flow in all its forms and as we focus upon it we become immersed within it and so find ourselves ascended and transformed. Increasing our personal internal & external chi flow like we do in our gatherings and retreats can rid our world of all of all its hungers and bring about a state of global harmony and permanent peace and so our international tours seminars and retreats continue with this focus.”

As many are now aware, metaphysical author Jasmuheen has spent the last four decades studying the rhythms of the field of Divine Love to the degree that in 1993 she discovered its ability to provide nourishment on not just emotional, mental and spiritual levels but also on a physical level. She then toured extensively sharing this with all those open to experience this different way of being nourished, continually also offering deep meditations within the field of love that will align us more powerfully to this nourishing force so that our presence enhances human evolution in ways that benefit us all. Pranic living then gave birth to the Embassy of Peace with its pragmatic Programs & Projects of Personal, Global & Universal Harmonization.

Jasmuheen's books are now published in 18 languages.
